The Centre for Automotive Safety Research invites you to a series of seminars addressing major topics in the fight to reduce road trauma and highlighting the latest research.

VENUE:
Art Gallery Auditorium

DAY AND TIME:
Wednesdays from 4.00pm to 5.30pm
CASR (formerly the Road Accident Research Unit) was established in 1973 and is internationally recognised as an important part of road safety research both in Australia and overseas. The Centre has an excellent relationship with policy makers and practitioners, and actively pursues internal, national and international collaboration.
