

Email alerts

If you are interested in road safety and would like to keep up to date in the field you may like to subscribe to one of the following alert services:

What's New in the Library

A monthly newsletter listing all of the new resources obtained and catalogued by the library. This alert is also available on the internet at <http://casr.adelaide.edu.au/library/newadditions/>

Road Safety in the news

A weekly email that includes a selection of road safety related news from around the world.

To receive either of these alerts please email library@casr.adelaide.edu.au with the alert name in the subject line.

Centre for Automotive Safety Research

The Centre conducts high quality independent research that enables rational decision making, leading to reductions in the human and economic losses from road crashes.

Subject areas include:

- road safety
- road accident statistics
- alcohol involvement in road accidents
- involvement of speed in road accidents
- head and brain injury
- spinal injury
- neck injury (particularly whiplash)
- biomechanics of injury
- vehicle occupant protection
- injury prevention
- epidemiology
- human factors
- transportation engineering

Find out more about the collection:

<http://casr.adelaide.edu.au/library/description/>

Who could benefit from requesting copies of items from the collection?

- transport and road safety related organisations
- legal bodies, including law firms, law courts and expert witnesses
- transport, traffic, road safety and crash reconstruction consultants
- Parliament, Government, academic and special libraries

Library services

Catalogue

The library catalogue is available online and includes over 25,000 records. Search for conference papers, texts, reports and individually indexed journal articles.

www.casr.adelaide.edu.au/library/catalogue.htm

Inter-library loans

The library provides inter-library loans to all Australian and International libraries. Payment can be made via ALIA vouchers or cheque. Standard ILL rates of \$13.20 per item apply.

Requests are accepted via email, fax, post or through the GratisNet or Tranzinfo ILL networks.

Article copying service

Items can be supplied on request to individuals and organisations and can be sent via email, fax or mail. If you are interested in obtaining material from the collection please contact the library direct for pricing and availability.

Library access

The library is open to the public via appointment from 9am to 5pm Monday to Friday. Photocopying facilities are available.

Literature searches

Literature searches can be performed using a variety of transport and other databases. Contact the library for more information.

CASR Report series

If you would like to be informed when CASR reports are released send an email to library@casr.adelaide.edu.au with "Reports" in the email subject field. Alternatively you can subscribe to our RSS newsfeed (for more information visit our website).

The full report series can be viewed at www.casr.adelaide.edu.au/publications/researchreports
